INTRODUCTION

**MAHESH
INDUSTRIES**

TURSTED QUALITY & TRUSTED BRAND

Mahesh Industries is one of the leading ISO 9001-2015 certified; IBR approved manufacturing Company for all types of Steel Flanges. We are equipped with latest manufacturing facilities & modern CNC Machining Shop to meet every single project requirement of our valuable customers with their desired delivery schedules. Our quality & manufacturing process has been approved by reputed Govt. / Semi Govt. Industries & TPAI Agencies. We are capable to undertake all the stringent project requirements conforming entire techno-commercial parameters of the project.

We have best quality of flanges that are used to mechanically connect pipes, valves, pumps or any other piece of equipment to form a piping system. These flanges are made from highest grade of material that are corrosion resistant and substantially reduce the cost & Tear and Wear and even under extreme conditions of temperature and pressure. Our range of flanges including "Welding Neck Flanges Slip On Flanges, Socket Weld Flanges, Tan Joint Flanges. Threaded Flanges! Blind Flanges, Reducing Flanges. Wide range of Flanges are available in variety of dimensional material and technical specifications as per the application requirement of clients.

We strongly believe in efficient services, we always maintain ready to deliver stock, meeting even this bulk requirements of our clients within the shortest possible lead time, in order to serve our clients on a consistent basis we have a full-fledged modern CNC Shop floor with efficient inventory management system and trained scale.

Customer Satisfaction is our prime motto and therefore we are serving today more than 200 customers in & around India satisfactorily.

Surpassing Standards, Exceeding Expectations!!!

Quality Policy – ISO 9001-2008 Certification

We are committed to produce and deliver on time competitively prices, quality product & services, convenient terms & attractive deliveries to its customers and strive for continual improvement.

SPECIFICATION

**MAHESH
INDUSTRIES**

TRUSTED QUALITY & TRUSTED BRAND

Product	Flanges: Forged Carbon Steel, Mild Steel, Alloy Steel & Stainless Steel – IBR & Non IBR
Product Range	Size: ½" to 72" OR 15mm to 1800mm – 150# to 2500#
IBR Flanges	We supply IBR Flanges as per Customer's requirement with Form-IIIIC
Types of Flanges	<p>Plate Flanges: Slip-on, Blind, Lap Joint, Screwed & Threaded</p> <p>Forged Flanges: Slip-on, Blind, Lap Joint, Weld neck, Screwed, Ring Joint type, Socket Weld, Spectacle, Orifice</p>
Standard	ANSI B16.5, BS1560, BS3293, MSS SP44, DIN, API6A, Types6B, API605 and AWWA (as per Blue Print)
Non Std Flanges	As per Customers' Drawing / Dimensions
Material of Construction	IS-2062, ASTM/ASME SA-105, SA516 Gr70, A36; A-182 F304/304L, F316/316L, F321, A-350 LF2, F-9, F-11, F-22
TPI Approvals	PDIL, Bureau Veritas, Tata Projects, DNV, AV Technologies, TUV, Essar, Electromech, SGS Services, Offshore Inspection Agencies, BNVQ, IBIC, IRS, CRS, Bax Council, INTERTEK
Approvals	NSIC, IBR, ONGC, IOCL, HPCL, MAZAGAON DOCK, GRSE, PDIL, L&T, RCFL, NPCIL, BHEL, NOCIL, GHARDA, JSW STEEL, GNFC WEIR BDK, RAIL COACH, MARSHAL GROUP
Approved Shipyards	Mazagon Dock Shipbuilders Limited, ABG Shipyard, Bharti Shipyard Ltd., Goa Shipyard, Pipava Shipyard, Tebma Shipyard, Garden Reach Shipbuilders, L&T Shipyard etc.
